

***CALIFORNIA VN EDUCATORS  
FALL 2021 Conference  
Embassy Suites Ontario  
Saturday September 11th, 2021  
5 CEU's Provider # 2816***

7:00-7:30 Registration

7:30-8:00 Welcome and Introductions

8:00-8:30 Business meeting

8:30-9:30 “Taking Care of Our Mental Health While Surviving A Pandemic”

Ayesha Wallace LCSW (Licensed Clinical Social Worker)

OBJECTIVES: By the end of the presentation Participants will learn to:

- ✓ Identify most common mental health challenges resulting from the pandemic
- ✓ Learn different skills and tools to help manage mental health
- ✓ Identify different resources for mental health management

9:30-10:00 Break/Meet with Vendors

10:00-11:00 Basic Simulation Scenario Development

Leslie D. Catron, M.A. ED, BSN, RN

OBJECTIVES: By the end of the presentation Participants will learn to:

- ✓ Identify learning theories for simulation
- ✓ Map to course curriculum based on learning needs and design measurable learning objectives
- ✓ Use a scenario template for design including evidenced based references
- ✓ Decide environmental, conceptual and psychological fidelity
- ✓ Describe the pilot process

11:00-12:00 Adapting Hands-on Simulation to a Virtual World: Manikins and Standardized Patients

Leslie D. Catron, M.A. ED, BSN, RN

OBJECTIVES: By the end of the presentation Participants will learn to:

- ✓ Identify the most appropriate modality for virtual simulation
- ✓ Clarify the challenges and solutions
- ✓ Describe the preparation steps including the dry run
- ✓ Revise a patient scenario for virtual simulation

***CALIFORNIA VN EDUCATORS  
FALL 2021 Conference  
Embassy Suites Ontario  
Saturday September 11th, 2021  
5 CEU's Provider # 2816***

- 12:00-1:00 LUNCH/VENDORS
- 1:00-2:00 Large Group Simulation  
Leslie D. Catron, M.A. ED, BSN, RN  
OBJECTIVES: By the end of the presentation Participants will learn to
- ✓ Describe the challenges for simulation with a large group of learners
  - ✓ Identify interactive solutions to engage learning
  - ✓ Develop an implementation plan including stakeholders
- 2:00-2:15 Break
- 2:15-3:15 Basics of debriefing in simulation  
Leslie D. Catron, M.A. ED, BSN, RN  
OBJECTIVES: By the end of the presentation Participants will learn to:
- ✓ Define the purpose of the simulation debrief and the role of the debriefer
  - ✓ Recognize the difference models for debriefing and their impact on the outcome for the learner
  - ✓ Describe the 6 habits of great debriefers
  - ✓ Explain the value of Advocacy and Inquiry for reflective debriefing
- 3:15-3:45 Google presentation. Creating a Gmail Account  
Tia Alves LVN, DSD
- 3:45-4:00 Closing, Evaluations, Certificates
